

Generations Ob/Gyn

RE: Insurance Benefits

Dear Patient:

Welcome to GENERATIONS OB/GYN. We will do our best to help you with the insurance process, but we need your help. It is imperative that you keep us informed of any changes in your coverage so that we may work with your insurance company to get the best coverage possible. Please be informed that we do not participate with HUSKY or any state funded insurance plans.

As the insured, you are responsible to know what your insurance plan covers and you will be responsible to pay for any charges or balances not covered by your insurance company.

Please sign below in agreement of these terms and return to our office staff. Thank you.

**Yale New Haven Health System* & Yale Medical Group
Patient Acknowledgement and Financial Authorization**

A. CONSENT FOR TREATMENT: I¹ consent to being admitted/treated as a patient of Yale New Haven Health System (“YNHHS”) and Yale Medical Group (“YMG”) for the purpose of receiving medical care and treatment and/or diagnostic procedures. I understand and agree that: (i) YNHHS and YMG are teaching institutions and students may be involved in observing and giving care unless I disagree; (ii) all attending physicians have privileges to practice at YNHHS facilities, but not all physicians are agents or employees of YNHHS or YMG; (iii) I have the right to consent or refuse to consent to any proposed procedure or therapeutic treatment, and that discussion of the risks, benefits and alternatives to each procedure or treatment is available to me; (iv) as part of my medical care and treatment I may be tested for HIV, and that this testing is voluntary. I will notify my care provider if I do not agree to HIV testing; and (v) photographs, videotaped images or other images may be made of me for purposes of medical documentation or education as YNHHS, YMG or its medical staff deem appropriate. I understand that these images will be stored in a secure manner that will protect my privacy. Images that identify me will be released and/or used outside the institution only with my written authorization or that of my legal representative; (vi) leftover blood, fluids or tissue may be used for scientific research or teaching by appropriate persons and that I will no longer have any rights to them.

B. AUTHORIZATION FOR PAYMENT/FINANCIAL AGREEMENT: I agree to pay YNHHS and YMG for all services and supplies provided to me, and for any other applicable charges. I authorize and direct my insurance carrier to make payment to YNHHS and YMG of all insurance benefits, including authorized Medicare benefits, and assign my rights to YNHHS and YMG. I agree to pay any remaining balance not covered by my insurance plan. If I receive payment from my insurance company or other third party payor for services provided to me by YNHHS and YMG, I agree to submit the payment to the hospital and/or YMG. If my account is not paid, I will pay all costs incurred as a result of YNHHS’s and/or YMG’s collection efforts, including, without limitation, attorneys’ fees and court costs. As a courtesy, YNHHS or YMG may assist me in processing insurance claims, however, YNHHS and YMG accept no responsibility for any processing procedures, acts, omissions or neglect. Any amounts not paid by my insurer become due and payable when the bill is mailed or on demand. **If my bill is not paid in full, YNHHS and YMG reserve the right not to provide any future non-emergency medical services to me.** YNHHS has a Charity Care program for eligible persons who do not have insurance or cannot pay bills. To be considered for Charity Care, I may need to apply to Medicaid and meet other requirements.

C. SEPARATE HOSPITAL & PHYSICIAN SERVICES: I understand that when I am treated in a Hospital or in a Hospital Outpatient Department that I will receive separate bills for hospital services and physician services, which I would not receive if the services were provided in an office that is not hospital-based. I understand that I will be subject to separate coinsurance liabilities for each separate bill, and that additional information, including an estimate of my out-of-pocket liability, is available to me at each Hospital facility. I understand that this consent and authorization applies to physician services, as applicable, to the same extent as it applies to YNHHS and YMG.

D. RELEASE OF INFORMATION: I understand that YNHHS and YMG can release all necessary health information for purposes of treatment, payment and healthcare operations. I authorize the release of any HIV/AIDS-related information, drug and alcohol abuse treatment information, and information about diagnosis or treatment of mental illness, to other treating providers and to third-party payers, including but not limited to insurance companies, managed care organizations, Medicare, Medicaid, and other governmental payors. I understand that YNHHS and YMG may release any and all necessary information with respect to my treatment when required to do so by law, including the mandatory reporting of certain communicable diseases (including but not limited to tuberculosis and HIV) to the State Department of Public Health.

I understand that refusal to consent to release of health information will not jeopardize my right to obtain present or future treatment, except where disclosure is necessary for the treatment. I understand that I may revoke this authorization at any time, in writing, except to the extent that action has been taken in reliance on it. The authorization provided in this Section D expires one year from the date of discharge from the Hospital if inpatient, or one year from the last date of treatment in an outpatient department or physician office. I understand that if I refuse to authorize release of information and this results in a refusal by my insurance company or other responsible payor to pay YNHHS or YMG for my treatment, I will be responsible for the entire unpaid portion of my bill.

E. COMMUNICATIONS VIA PHONE: If I have provided a telephone number as a primary telephone contact, I hereby authorize YNHHS and YMG, along with their respective employees, agents, and business associates, to contact me via phone or text message for any reason, including, without limitation, automated notifications and appointment reminders.

F. PERSONAL VALUABLES: I hereby understand and acknowledge the following: (i) I accept sole responsibility for all personal property retained by me in a YNHHS or YMG facility; (ii) I have been advised not to keep any valuables with me while I am a patient of a YNHHS or YMG facility; (iii) neither YNHHS nor YMG is responsible for any lost items; (iv) for inpatient or outpatient stays, the use of a security vault may be available upon my request, and I must sign an additional form for its use; and (v) YNHHS and YMG reserve the right to inspect and to prohibit inappropriate or unsafe items, such as drugs, alcohol, weapons, cellular phones, etc.
